

Letter Carrier Food Drive

Volunteers Needed

Saturday, May 11th

Sorters: 2 Shifts

10:30am—1:00pm

1:00pm—3:30pm

Volunteers are needed to help unload food from vehicles, weigh, sort and box by category (vegetables, pastas, soup, peanut butter, etc.) for storage. The 2nd shift is when we need the bulk of our volunteers.

Drivers and Helpers: 2 Shifts

10:00am—1:30pm: *15 teams*

Each driver will be provided with a map of a route/neighborhood in Estero. The Helper will grab the bags left at the mailbox and put them into vehicle. When your vehicle is full, or you reach the end of your route, return to the staging location.

1:30pm—4:00(ish)pm: *3 Teams*

These teams are “on standby” for when Letter Carriers call in with streets we missed and/or extra bags to unload from their vehicle. Also will pick up food that has been dropped off at the post office.
